

Quidditch – Attendance Prize

Last academic year, Miss Walsh's class won the overall prize for highest attendance for the year 2022 to 2023. On Friday 8th September the children from her class, along with other children who had been in school everyday last year, enjoyed their prize. They had a great day learning how to play 'Quidditch'. There were no Nimbus 5 broomsticks flying around as that game is for magical wizards! Our children learned how to play 'Muggle Quidditch', with Hogwarts very own 'sorting hat' putting the children into teams! It was great fun! Can you spot the golden snitch?
